

EXTENSION OF DEADLINE FOR CONTRIBUTED PAPERS, POSTERS, AND SYMPOSIA ABSTRACTS

We invite you to the Land of Enchantment as the Western Division of the American Fisheries Society and Arizona/New Mexico Chapter co-convene the 2009 WDAFS Annual Meeting in Albuquerque, New Mexico (3-7 May 2009). The theme of the meeting is "Evolution of the Western Landscape: Balancing Habitat, Land, and Water Management for Fish". The program will offer a full-range of topics in fisheries science as well as provide the opportunity for networking and socializing. Come and enjoy majestic vistas, taste the many flavors of our New Mexico cuisine, and explore the diverse cultural and historical opportunities that Albuquerque and the surrounding area have to offer. See first hand the uniqueness of our arid landscape to appreciate how it has shaped our native fauna and flora.

FINAL CALL FOR PAPERS, POSTERS, AND FINAL SYMPOSIA DETAILS

The Program Committee for the 2009 WDAFS Annual Meeting invites abstracts for CONTRIBUTED oral

presentations and posters. **Contributed oral presentations and poster abstracts must be received by 28 February 2009.** Space for contributed papers and posters may be limited, so selection may be on a first-come first-served basis. The sooner you submit your abstract, the better chance you will have of participating as a speaker or poster presenter. **Abstracts for papers and posters to be presented in Symposia must also be received by 28 February 2009.**

All submissions must be made using the online abstract form which is available on the WDAFS (www.wdafs.org) or the Arizona/New Mexico AFS (www.aznmfishsoup.org/wdafs09/) websites. All presenters will receive an immediate e-mail confirmation of their abstract submission.

Also check out the website for the plenary lineup, student opportunities, hotel reservations, continuing education workshops and additional information.

Register now at <http://www.aznmfishsoup.org/wdafs09/registration.htm>
